Vinification	Each grape variety is recolted when it arrives to maturity. Wine-making is made separately with traditional know-how.
Ageing	3 years
Description	Very beautiful, limpid and brilliant vermilion-coloured robe. Complex and delicate nose distinguished by the aroma of red fruits. On the palate, very smooth, well balanced and full-bodied. A nice substance in the mouth already but would not lose anything being kept for some more years.
Serving suggestions	Its aromatic complexity allows it to be served with grilled meat as well as spicy dishes. Excellent also with a strong cheese.

Available in bottle 75 cl and in Bag-In-Box 5 L
